Luxury Envelopes as standard

Eggshell White

Soft Pearl

Ivory Textured

You want that amazing first impression right from the moment your guests pick up your invitation from their doormat. You want them to see and feel the quality, so good envelopes are important!

Our stock envelopes match the card we print on. We have the eggshell white, the textured ivory and soft pearl. All of which are 120gsm or above, which means they feel nice and thick and protect your invitations in the post.

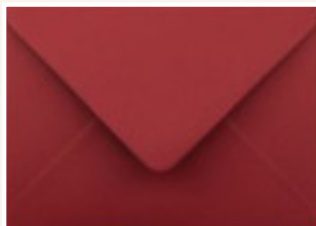

We give you these envelopes free of charge with your invitations.
