Linen Welcome Signs

For couples who care about style, story and every carefully chosen detail, our linen welcome sign is the piece you didn't know you needed, but won't want to be without.

Crafted from soft, natural linen with your wording carefully added in our signature minimalist style, this piece feels timeless yet contemporary.

Whether you're marrying in a modern barn, a country house or a destination villa (it's perfect for putting in a suitcase!), this sign will work in harmony with your setting, quietly elevating your space.

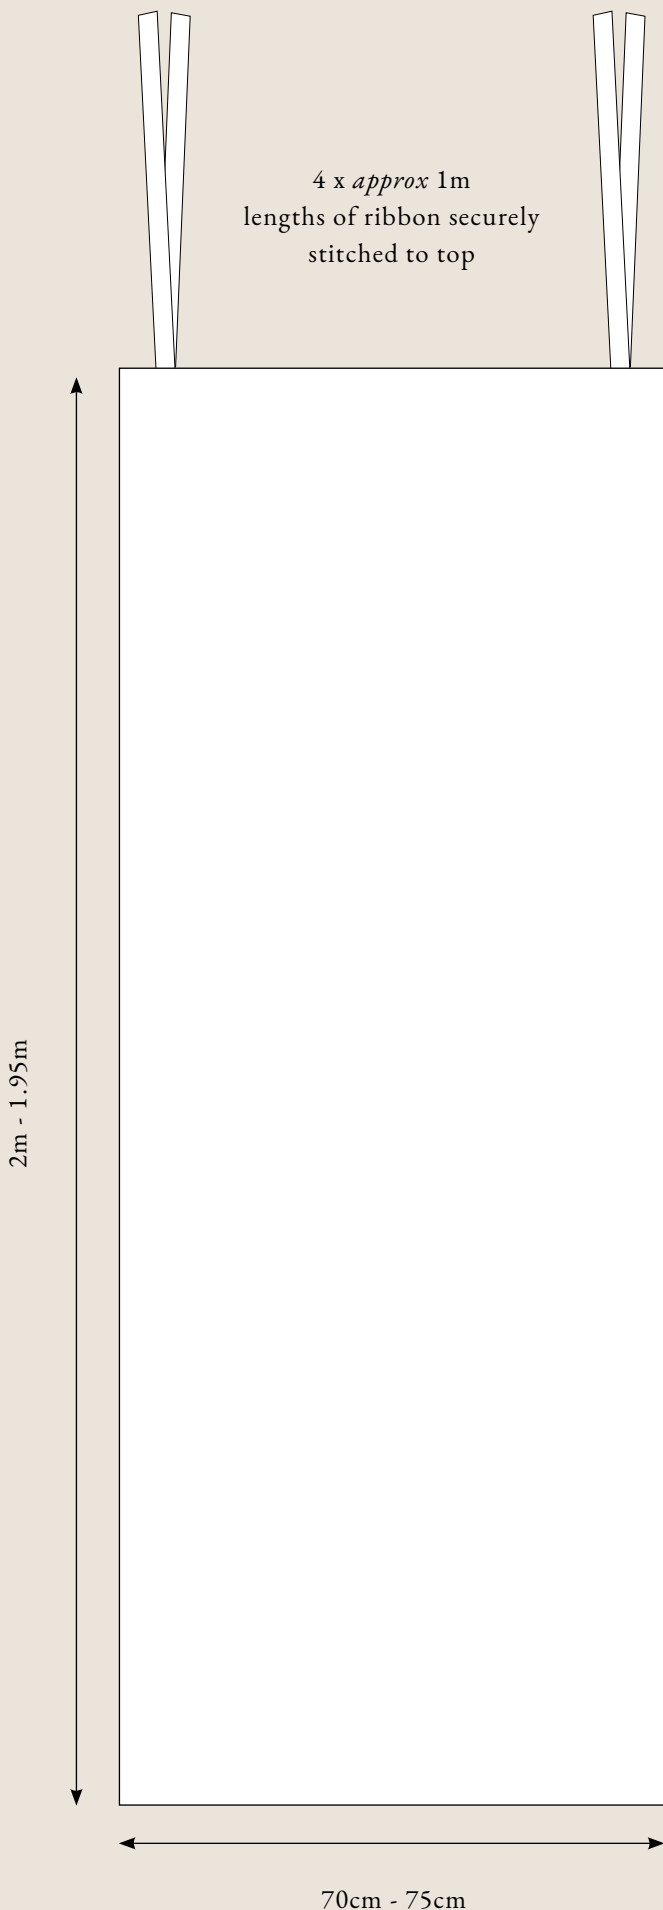

Unlike our standard foam board signs, linen offers something truly special; movement, texture and a softness that speaks of luxury. It can be draped, hung or layered, giving you endless styling possibilities.

This is not just a sign, it's a statement piece. Pair it with floral styling, a minimalist frame or add more soft draping fabric for a look that feels high-end but still heartfelt.

Carefully designed, hand made with love, and just that little bit different.

The DETAILS

The welcome signs are created from 100% linen, with a choice of 2 colours. Cotton blend is also available as a special order if you would like to go with a brighter colour.

The signs are tied to your stand (not provided) with soft satin ribbons which are available in a choice of several colours. The ribbon tails are left long to give a gorgeous romantic feel.

The starting size of the sign is 2m x 75cm but due to the nature of the linen, and the hand frayed edges, the size of the sign will vary in height and width by approx 2-5cm.

The wording is created by using cut, heat pressed vinyl. We recommend black for the linens, but white can be used on the coloured cottons.

Cream linen

Off white linen

Coloured cottons are also available to order

2 x long edges and bottom edge are hand frayed, top edge is hemmed straight. Ribbon is sewn to the top edge.

Washing and care: surface washable only, do not machine wash or tumble dry. Iron on reverse only.

A STAND IS NOT PROVIDED

The answers TO YOUR QUESTIONS

DOES IT COME WITH A FRAME OR STAND?

No, however you may find your venue may have one, if not you can easily find ones online. Search for 'stands for hanging wedding signs'.

HOW DO WE DISPLAY OR HANG THE SIGN AT OUR VENUE?

The signs come with ribbons attached. You just tie these around the top of your frame in a bow. You can also tie to tree branches, or perhaps a staircases for a fabulous display!

WHAT SIZE IS THE SIGN, AND CAN WE CHANGE THAT?

The size is approximately 195cm high and 72cm wide.

To keep it simple, we only do the one width, but can make the sign shorter if needed.

Please note all sizes are the same price.

CAN WE PERSONALISE THE WORDING ON THE WELCOME SIGN?

The linen signs use fonts and styling that match our stationery designs. You can personalise them with your names, date and wedding venue.

CAN YOU DO A BESPOKE DESIGN?

We can 'tweak' the styles of our existing designs, however due to our workload we can't take on any truly bespoke design work. Any changes to the standard designs may be chargeable.

HOW LONG DOES IT TAKE TO ORDER AND GET THE SIGN?

After you order your sign and have provided us with your details, you will receive a proof to check. After you sign off the proof, it takes approx 3 weeks to complete and dispatch to you.

Any other questions, please just ask!
